- Steve has resigned as Social Officer. The Exec has agreed to split up the socials between themselves until a new Socials Officer is elected.
- Nikki will be in charge of overseeing the organisation of the garden party which is to be held on 16 June at Sidney Sussex.
- The Freedom Book must be re-written by Fresher's Week '07. Nikki to allocate each Exec member a double page to check and re-write as necessary.

3. Exec Announcements and News

(a) [no definition]

- Luke and Danni have distributed [no definition].
- There are two competitions in the magazine (to win tickets for Angels of America and Taylor Mac) which need to be publicised more widely. Josie to forward details to Announce.
- Luke would like to increase the readership and is calling for contributions and articles (email editor@cusu-lbgt.com).
- The next edition of the magazine is underway. There is a possibility that it could be out by May Week but since it is exam term, there may not be enough time to compile the magazine this term (assuming they have enough contributions). In which case, it will be ready for Fresher's Week. The theme will be breaking down stereotypes.

(b) Open Meeting

- Carol booked the Coleridge Room and Jesus College plus food and wine for the Open Meeting on Monday 14 May. A facebook event was also set up to aid publicity. Josie to email Announce to advertise open meeting.
- Grad drinks at B-Bar will then follow at 9PM.

(c) Campaigns

- Daniel met with Josie to discuss campaigns.
- It was mentioned that the sex discrimination act campaign falls within Daniel's role. Carol to let Dan know the details of the campaign so far.
- Daniel has been planning Awareness Week and will bring an initial plan to an Exec meeting in June so the Exec can give their opinions on possible speakers to invite etc. He plans to send invitations to potential speakers on 14 June.
- With regards to posters, printing can be done for free at CUSU. For larger jobs, the university printers should be used (Luke to advise).

(d) Careers Book

- Jon has received two more contributions for the careers booklet, which makes seven contributions so far.
- He is planning to email people in industries that have not yet contributed to the booklet soon.
- Luke mentioned he may be able to get him a contact in the armed forces.
